

BENEFIT FOR LIA CLARE SORRENTINO

One of our brothers needs our help. Tpr. J. Sorrentino #6613 was recently informed his ten month old daughter Lia Clare has been diagnosed with an inherited metabolic disorder called Hurlers Disease. Treatment for this includes multiple surgeries including a bone marrow transplant using umbilical cord stem cells. She will then go through an extensive chemotherapy program. Lia is being treated by the best team at Duke Children's Hospital in Durham, NC. Please come out and show support for this wonderful family.

**Park East
3352 Rt 35
Hazlet, NJ**

**WED., AUGUST 18
6-10pm**

Tickets \$50.00 per person including food and drinks (100% of the proceeds will go directly to the family)
